

# LA ROTONDA MAURICIO

QA Automation

## PROFILE

- Engineering student
- IT and network technician
- I prioritize the order of work to improve productivity

## ABOUT ME

I consider myself an orderly person. I value teamwork, I adapt easily to changes and I like to constantly learn new technologies.

I currently work in the QA Automation area, oriented to Web, mobile, service tests and also performance tests.

## WORK EXPERIENCE

Oct 2021  
Act.
